

The Florida Sunshine Chapter is one of the largest AAHAM Chapters in the U.S. and we strive to continue our mission of providing outstanding learning and networking opportunities to individuals working in healthcare and other related fields throughout Florida. In order to fulfill our mission we rely on the support of our Corporate Partners. The Corporate Partner program allows the chapter to bring high caliber education and networking to our members at affordable prices. Our Corporate Partners are an integral part of our success!!

Over the years the on-going commitment and dedication of our many sponsors have made it possible for us to maintain our status as one of our nation's top performing AAHAM Chapters. To those of you that have been so loyal we wish to extend our most heartfelt gratitude for being part of our success. As we embark on another year, we seek to not only renew our partnership with our many existing sponsors, but also expand this opportunity to other organizations who endorse our mission and wish to benefit from an on-going relationship with us.

Please take a moment to review the many benefits of the Corporate Partner program in the enclosed document. **Benefits include complimentary conference registrations, exhibiting, company advertisements as well as complimentary conference registrations and AAHAM memberships to be given to providers of your choice.** Don't miss out on your chance to be part of an incredible association.

We currently have meetings scheduled in March and August as well as our multi-day conference throughout the State. In order to allow us sufficient time to ensure your organization is properly recognized on our website, newsletters, conference announcements and other information, ***please complete and return to me the attached Preferred Vendor Profile no later than January 31, 2018.***

To our existing sponsorship partners we once again thank you for your on-going loyalty and support. To new potential partners we thank you for your consideration. We look forward to working with you as together we will become the top AAHAM Chapter in the U.S. in service to our membership.
