HFMA Florida Chapter is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.NASBARegistry.org.

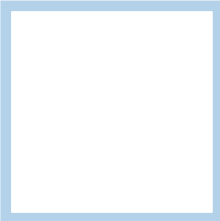

AAHAM Sunshine Chapter & HFMA FL South Regional Education Event

Dave Fee

Outpatient Methodology Specialist, 3M Health Information Systems

Dave Fee, MBA, is a consultant on prospective payment for 3M Health Information Systems. His major responsibility focuses on understanding government regulations and outpatient care markets to assist in identifying customer needs. He works with product marketing and technical development teams to create 3M software for outpatient care, including APC classification, reimbursement and decision support products. Dave has been involved with prospective payment for over two decades, since Iowa Medicaid implemented Ambulatory Patient Groups in 1994. He has been a speaker at national conferences, including AHIMA, HFMA and the American College of Healthcare Executives, and has published articles on the topics of APCs, outpatient prospective payment and related subjects in a number of industry publications.

Brentton J. Givens, ESQ.

Owner and Founder of The Givens Firm LLC / Consultant for Accelerated Claims, Inc., Accelerated Claims, Inc.

Renee M. Jordan, Esquire

Bacen & Jordan, P.A.

Renee Jordan is a partner in the law firm of Bacen & Jordan, P. A., a healthcare recovery law firm with principle offices in Fort Lauderdale, Florida. The firm is exclusively dedicated to the provision of reimbursement and legal recovery services to the healthcare industry. Renee has extensive experience in litigating healthcare providers' claims in the area of Managed Care, ERISA, Worker's Compensation, RAC, Hospital Liens, Probate and Bankruptcy. Renee is a current member of HFMA and AAHAM. She sits on the Board of Directors for the Florida AAHAM Sunshine Chapter, and is a past president of the Florida HFMA Chapter. Renee currently serves as the Regional Executive for HFMA Region Five.

AAHAM Sunshine Chapter & HFMA FL South Regional Education Event

Camie Patterson

Chief Operating Officer, Manatee Memorial Hospital

Camie has 25 years of progressive leadership experience with over 12 years of healthcare COO and CFO experience. Her background in developing leaders, process improvement and financial analysis have allowed her to support organizations in achieving high employee engagement, strong financial returns, and improving patient experiences. She enjoys training staff and developing leaders in a way that creates and enhances skill sets to improve likelihood of achieving organizational goals.

Camie's experience as a hospital COO and CFO allows her to truly understand the journey to excellence of partners. She has walked in their shoes and understands the challenges they face each and every day. Camie has a strong commitment to organizational excellence that is well-balanced along all pillars. She understands the importance of fundamentally engaging leaders, physicians, and employees to achieve success. Her background in finance gives her a well-rounded understanding of what it takes to achieve success with the most pressing issues facing hospitals today.

Camie has a Master's in Healthcare Administration from the Medical University of South Carolina in Charleston, SC. She is a Fellow in the American College of Healthcare Executives, a Fellow in the Healthcare Financial Management Association and a Certified Public Accountant.

Camie is also the mother of 5 children. Her oldest is a daughter studying Accounting at Wofford College. She also has 4 sons ranging in age from 6 to 18.

George Vancore

Senior Manager/Systems, Integrator & Business Architect, Regulatory, Mandates & Compliance Programs, Delivery, Systems, Florida Blue

George V. Vancore, Jr. is a Sr. Manager/Systems Integrator & Business Architect working in the Delivery Systems organization at Florida Blue. He is responsible for the Delivery Systems Regulatory Compliance Portfolio which includes business process and systems integration of regulatory mandates and compliance programs throughout the enterprise. This includes all health care related federal, state and Blue Cross Blue Shield Association regulatory mandates and compliance programs.

George has over 40 years of experience in Information Technology and has been with Florida Blue for over 21 years. He holds an undergraduate degree in Computer Science with a minor in Mathematics and is attending the University of North Florida where he is scheduled to complete his Master's Degree in Health Information Management and Technology in the Fall of 2015.
