

## Recognition Event

October 21, 2016

Hello ORMC Registration Team Members,

The American Assoc. of Healthcare Administrative Management (AAHAM) Florida Sunshine Chapter Board of Directors and the Florida members salute your efforts and professionalism during the unfortunate Pulse incident.

This week is National Patient Account Management recognition a week-long celebration, October 16-22, by hospitals, physician offices and others involved with patient account management to recognize and honor the individuals engaged in healthcare administrative management. We felt this was the right time to honor your group. Your peers in the industry salute you.

Thank you for being a caring and responsible group when faced with such a disaster. We all know it could happen at our facilities and we prepare.

Paying it forward one step at a time.
