

My Fellow AAHAM Members,

The time is approaching that the National President of AAHAM Vicki DiTomaso from our Great Florida Sunshine Chapter will move from President to Chair of the Board. This also means it is time for national elections.

Over the past 4 years as your president, I have had the pleasure of meeting many people from all over the United States. I have especially enjoyed getting to know the presidents from other AAHAM chapters and other National Board Members. I wanted to give you a little insight on the people I am supporting based on my knowledge of their commitment and passion to AAHAM. Hopefully this will be helpful to you, so that you can make an informed choice to best serve our organization.

For President John Currier is running uncontested, but he still needs your vote. John has been in healthcare and a member of AAHAM for many years. He loves our chapter, and has spoken at several of our local meetings. He considers our chapter his second home and loves to come to Florida. Who wouldn't he lives in Illinois!

1st VP Lori Sickelbaugh is also running uncontested, but again she still needs your vote. Lori has been a long time member of AAHAM and has worked her way up the ranks from secretary through 1st VP. and has always been very devoted to AAHAM.

Amy Mitchell is a candidate for 2nd Vice President. Amy hails from the Utah chapter, and has served the AAHAM board faithfully for many years, both as various committee chairs and also as secretary and treasurer. She is truly passionate about our organization.

Kenny Koerner is running for national treasurer. I have gotten to know Kenny from during his time as president of his chapter. He has always been so committed to their success, and brings so much to the table. He is a PFS director of a hospital in Illinois, and knows so much about this business and our organization.

William Carlson is running for Secretary he has been the Chairman of the Practices and Standards Committee for the past 4 years and prior to that served on that same committee for several years. I have personally worked with him on that committee for as many. He has done an excellent job and I personally vouch for his integrity and think he would make a great executive board member.

Of course these are just my feelings and observations over the last 4 years and everyone has the freedom to vote how they like. It is crucial, however, that we all voice our opinion by voting. Our chapter is one of the largest, and we would love to have great participation. Should anyone have an issue or need help voting please contact me personally at 352-357-6999 or [lindacsayre12@comcast.net](mailto:lindacsayre12@comcast.net). Voting is now open as you should of received an email yesterday with your AAHAM and ballot number so please it only takes a few seconds to cast your vote and it does COUNT!!

Sincerely,

*Linda Sayre*

Florida Sunshine Chapter of AAHAM

President
