

Professional Certification CRCE Scholarship Program "The Vicki DiTomaso Scholarship"

As part of our continued commitment to our members' professional advancement, the AAHAM Florida Sunshine Chapter is proud to announce that it is awarding scholarship funds to qualified and selected individuals who wish to pursue CRCE professional certification.

Our chapter is awarding scholarships annually to individuals who apply, meet certain criteria and are selected for an award. The number of scholarships per year awarded may vary based on total applications submitted and annual budget.

The scholarships, when awarded, will provide reimbursement to candidates in an amount to cover the cost to take the exam as well as the cost of the official AAHAM Professional Certification Study Guide (currently \$299 and \$279, respectively).

In order to qualify for the scholarship, one must meet the following requirements:

- Be a member in good standing with National AAHAM as well as with the Florida Sunshine Chapter.
- Be eligible to sit for the Professional Certification Exam, and be personally responsible for exam costs.
- Sit for and pass ALL four exam sections within the allotted time frame.

Individuals seeking scholarship reimbursement must submit the following application with a copy of payment receipts for both the Exam and the Study Guide, as well as the Exam results letter(s) they receive from National AAHAM indicating all four parts of the Exam have been passed.

Mail completed applications to:
